LEISURE WORLD, LAGUNA HILLS  
HISTORICAL RECORDS COMMITTEE  
P. O. BOX 2220  
LAGUNA HILLS, CA. 92653

Dear Friends,

Leisure World, Laguna Hills, has just about reached its full growth and we, the Historical Records Committee, have been charged with making a permanent record, both with story and pictures of our "World" since its beginning. You, who moved in during 1964 are very special to this History. You are the ones who pointed the way to our development and spirit of friendship.

Please try to come to our informal get-together on June 3rd. We want to re-live early day memories and also to tell you of our plans.

As a special favor, but not a requirement, will you jot down some event or memory of your first days here and turn it in at the door when you come? We want to read and enjoy all of them with you. Sign them or not, but if you can recall one happening, please share it with us.

Sincerely,  
Marjorie F. Jones  
Chairman  
(830-6718)

Please wear your name plates.
