

NEWS LETTER - - - FALL 1980

**THERE IS A LOT OF NEWS ABOUT YOUR SOCIETY THESE DAYS:
MOSTLY GOOD ...SOME NOT SO.**

1. VOLUME I, Number 2, of "LEISURE WORLD HISTORY" is due off the press in time for our Membership Meeting in October. The Editorial Committee says it is a good one, and they should know, because they were able to pick from more than enough articles. There will be variety, prose, poetry and pictures. Members will be entitled to one copy, free.
2. VOLUME I, Number 1, was a success by any measure! There are only 400 copies left out of 4,200 printed. It more than paid for itself financially, attracted a great deal of interest, and contributed much to the community.
3. A Committee chaired by Director Tom Hines has been pushing a Membership Drive to develop a sound financial base for future Society activities. If each member will use the enclosed application blanks to bring in 3 new members, we will have that sound financial structure, and programs can go forward.
4. For health reasons John Kassenbrock had to relinquish the Treasurer's post. Fred Schafer is currently serving as both Secretary and Treasurer. Helen Marks has also resigned as a Director and the Board has appointed Jack Tongue to fill out her unexpired term.
5. A long time loyal supporter of the Society and a Director - Harold Kime, is leaving the community soon. It will be impossible to replace him, but we will try.
6. A stepped-up program is underway to complete the Society's files of Leisure World Club Histories. They play such an important part in the life of the community that our archives cannot be complete without them. As soon as we have them all documented they will make the basis for interesting research and writing about our history. Please see that your clubs are participating.
