Leisure Worlder of the Month

Congratulations to these Leisure Worlders of the Month:

February--John & Electa Ehrle

April--Herbert Schwartz

March----Nadine Froman

May----Phil Studebaker

Following Board approval, as well as approval of Golden Rain Foundation and Home Federal Savings, the portraits are now displayed for one month in the lobby of the Administration Bldg. after hanging at Home Federal. It was thought that more people would have an opportunity to see the portraits in this location.

Archives

Helen Clark, Archives Chairman reports:

Our archives collection continues to grow from gifts to us by interested and, should we say, thoughtful Leisure World People. In fact our archives room is already needing to be expanded to make room for our file of the Leisure World News. Cushman Clark is extending the shelves upward to take care of the current copies. Among the gifts which we have received in the last couple of months are scrapbooks from the the Democratic Club and the Salvation Army Club. From various residents, we have received photos, an early map (1966) and some gifts to early residents: "his" and "her" pins, a non-tarnish tray for silverware and a piggy bank.
