Copyright & Legal Use Notice:

All photocopies and reproductions, regardless of whether or not a copyright notice appears on the item(s) that are photocopied or reproduced, may be subject to copyright law. The Copyright Law of the United States (Title 17, United States Code) governs the making of photocopies and other reproductions of copyrighted material. Under certain conditions specified in the copyright law, libraries and archives are authorized to furnish photocopies and reproductions of copyrighted works. One of the conditions is that photocopies and reproductions are not to be "used for any purpose other than private study, scholarship or research." If a user uses photocopies or reproductions for purposes beyond what is deemed "fair use," that user may be liable for copyright infringement. While the Laguna Woods History Center reserves the right to refuse any photocopy or reproduction request if, in its judgment, fulfillment of the request would violate copyright law, the undersigned assumes sole responsibility for ascertaining copyright status, as well as researching and complying with all applicable laws, copyright or otherwise, regardless of their inclusion in this notice.

Cost Recovery Fees:

Photocopies are \$0.25 per single sided, black and white page. Special fees will apply to other requests. The undersigned has read, understands, and agrees to the entirety of this *Research/Copy Request*.
