Featured Artists:

Nellie Gail Moulton (above) was a pioneer-family matriarch whose ranch land underlies Laguna Woods Village where a manor became her art studio. Nellie Gail Moulton's oil paintings (*working plein air* below) reflect her passion as an art patron. Nellie's granddaughter, **Jane Barnes**, perpetuates this legacy in watercolor paintings. Both celebrated artists are featured in this combined exhibit on loan from the Moulton Family Foundation and can be viewed from Monday, October 23 through Friday, November 3, 2017.
