## New Library Room Unveiled to Senior Center Sponsor, Myrtle Dermody

Myrtle Dermody, a Leisure World resident since 1966, and her niece, Alice Rimer from San Diego, were among the 1<sup>st</sup> in the community to view the new Library in the Florence Sylvester Memorial Senior Center. The library, which is sponsored by Mrs. Dermody, has a spectacular magnifying reading machine, a chess board table (other games are also available) and, of course, books. Betty Draper, the interior designer who is responsible for the beautiful interior look of the senior center, had, unbeknownst to her, chosen a picture for the library wall that featured many women bicycling in the area during the 1960's. As Mrs. Dermody looked at the picture, she realized that she knew most if not all of the women pictured!

Mrs. Dermody is quite an athlete. She founded the Table Tennis Club, of which she is a Charter member and, in fact, was the 1<sup>st</sup> woman champion in Leisure World. In addition, she swims, did synchronized swimming with the Aquaducts for 25 years and enjoys lawn bowling. In addition to her active lifestyle, Mrs. Dermody is a member of "The Sunshine Girls," since she is one of the original volunteers at Beverly Manor and she continues to volunteer at the Saddleback Hospital Emergency Room.
