PHYLLIS & VAN HEFLIN

Married in Los Angeles in 1949, the Heflins moved to Laguna Woods Village in 1987. In addition to raising a family of four children, they both enjoyed a variety of successful business careers and have been active Realtors for over 31 years and are still “going strong”.

They have always been active as Cub Scout Leaders, PTA Presidents, Church activities and a wide range of other Civic and Community endeavors.

In Laguna Woods Village, Phyllis was the organizer and first President of the Christian Women’s Club. They are long time members of the Saddleback Memorial Foundation Board and Phyllis served as their President in 2006.

They are members of World Travelers Club, involved with Kiwanis, Senior Olympics, Opera 100 and very active in the Geneva Presbyterian Church.

On a more personal side they enjoy cruising and traveling in their RV,

and are the proud grandparents of six and the great grandparents of six.

When asked which of their many Community activities over the years they felt was most important and personally satisfying, they replied that “it was being able (through their Real Estate careers) to match homes to new residents for their enjoyment in beautiful Laguna Woods Village”.
