Dear Mrs. Johnson:

This will confirm your selection by the Rossmoor Corporation special committee to be Leisure Worlder of the month for February.

It will be our pleasure to have a color photograph printed on 20x24 canvas, handsomely framed, to hang in our sales salon during the month of February.

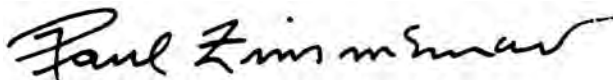

As I told you, our photographer Fred Braitsch will meet you here at the sales office at 11 a.m. Saturday, December 13, to take your picture.

As you are aware, it is our policy to write a biographical story embracing your activities prior to and since your move to Leisure World to be published in the Leisure World News and other suitable media.

Your host of friends are invited to the brief hanging ceremony on Monday, February 2, here in the sales salon at 10 a.m. Following another informal ceremony at 10 a.m. on Monday, March 2, the portrait will be presented to you.

I'll give you a call shortly to set a date at your home for an interview.

Sincerely,

Paul Zimmerman
