

Honoree of the Month
August 2010

Stan Lehrfeld

Although he had moved to Laguna Woods Village in 1989 Stan has been a resident at The Regency for the past year.

Born and educated in New York City, Stan attended New York University and the Applied School of Agriculture at Farmingdale, NY.

He has two children and four grandchildren. Immediately after coming to Laguna Woods, he became an active Volunteer and participant in Community Activities and for 12 years delivered Meals on Wheels.

Stan also served on the Board of Directors of B'nai Brith, was a founding member of the Old Pros and member of the Theatre Guild. His Volunteer participation continued at the Regency where he has been the VP of their Residency Council.

Prior to retirement he travelled extensively in Hawaii, France, Spain and England and was on the Board of Directors of the NY Dry Cleaning Association.

When asked which of his accomplishments he has found to be most satisfying, he readily replied "being able to help the less fortunate..."
