

Laguna Hills man dies in car crash

The Register

An elderly Laguna Hills man was fatally injured Thursday in a two-car accident on Alicia Parkway west of Bentley Lane, the California Highway Patrol said.

Deputy Coroner Pam Luster said Dr. Stanley Leland, 83, was pronounced dead at 6:25 p.m. at Saddleback Community Hospital, Laguna Hills.

The CHP said Leland's wife, Isabel, 80, escaped with minor injuries in the 5:30 p.m. accident, and the other driver, James Schleiwiler, 42, of Laguna Hills was not hurt.

Patrolman Richard Matthews said Leland's vehicle was making a left turn from an eastbound lane when it was hit broadside by Schleiwiler's vehicle, which was westbound.
