

RUTH MAY

Honoree of the Month
November 2008

Born and educated in Johannesburg, South Africa, Ruth has travelled extensively and lived in Paris, France and Southern, Rhodesia among other places.

She spent her entire working career in the Travel Industry both as a practitioner and a teacher, which included a stint with the Travel School of the Los Angeles West Community College.

Fortunately for us, Ruth moved to Laguna Woods Village in 1996 and almost immediately became a very active member of the Community.

She is a member of the Toastmasters, the Cat Club, Historical Society, the Theatre Guild, The Old Pros, the Friends of the City of Laguna Woods Library and on the City's Animal Committee. In addition to all of the above she has managed to serve as a very active member of the Golden Rain Foundation Board of Directors.

She has two daughters and a son.

When asked about her current residence in Laguna Woods Village she immediately replied that "There's Nowhere Else I would Rather Be."
