

PEOPLE: Hospital singles out community leaders

The Saddleback Memorial Foundation will single out three Leisure Worlders at its upcoming Spirit of Philanthropy gala scheduled to take place Nov. 4 at the Hyatt Regency in Irvine.

Evelyn Shopp, a retired nurse and president of Leisure World's Historical Society, will receive the "Community Leader of the Year Award" for her volunteerism, advocacy for nursing and quality health care, and service on Saddleback Memorial Medical Center's Board, Foundation and Associates.

William and Louise Meiklejohn will pick up "Philanthropists of the Year" for providing the cornerstone gift (the largest single donation in the history of the Foundation) to build the Meiklejohn Critical Care Pavilion, an emergency care and critical care unit and making several charitable and planned gifts to the Foundation to support SMMC and establish its Meiklejohn Radiation Oncology Pavillion.

Congratulations, all!
