Dear Jim:

You are a real Pro on the podium.

Your presentation made me feel both humble and wonderful. Lucile and I thank you for the generous and gracious "hanging".

Please convey my appreciation to the Laguna Hills Historical Society, for including me among some fine folks in Leisure World...

Mr. M. H. Waterman

P. S. President Reagan's two letters on the analysis he asked me to prepare on Lebanon dates back to August and just last Friday. It pleased me to know that he implemented my ideas on his Middle East proposals.
