

Rex Perkins

Perkins accepts post at Anaheim S & L

Anaheim Savings and Loan has announced Rex Perkins has been appointed regional vice president, community relations of its Laguna Hills Savings office.

Perkins is known to many Leisure Worlders as the savings and loan manager who drives the white golf cart, making friends and "house calls" on residents of

Leisure World and Laguna Hills.

Perkins begins his new position with Anaheim Savings Monday, Nov. 23 and soon residents will see him driving his new shiny, three-passenger golf cart with the Anaheim Savings logo, giving lifts to his friends and customers.

Currently, Perkins is assistant treasurer of the Historical Society of Leisure World, one of two members on the board of directors who live outside of Leisure World. He is a past president of the Rotary Club of Laguna Hills and currently serves as a district representative.

He and his wife, Carol, will be travel hosts on a transcanal holiday cruise in April for the Golden Rain Foundation.
