

Hillel Pitlik

Honoree of the Month
May 2009

Born in Boston, MA, Hillel earned both Bachelors and Masters degrees in Electrical Engineering from the University of Pennsylvania.

Hillel and his wife Barbara are the proud parents of three sons, David, Daniel & Michael.

His working career in Electronic Communications involved both Commercial and Military development, with some of the most prominent companies, such as Bell Laboratories, General Dynamics, GTE, Polaroid and Raytheon. For a period of time he was based in Paris and travelled extensively in Europe, Africa and the Far East.

He has for many years, and continues to be active in SCORE, was a Ski Patrolman in VT for 17 years and a Math and Science substitute teacher in NH and VT High Schools

Moving to our Community in June 2003, Hillel immediately began very significant participation. He has been a Member of the Board of Third Mutual, a Tutor in the San Jacquin Elementary School, a member of the Board of the Reform Temple, Inspector of Elections for Third Mutual and numerous other Volunteer activities.

There can be no question but that Hillel Pitlik had made major personal contributions toward continuing to make Laguna Woods Village one of the world's greatest retirement Communities.
