

Jim Shaffer

Honoree of the Month February 2009

Born in Terre Haute, IN, Jim has lived in a number of locations throughout the United States, as well as in Tokyo, Japan and Havana Cuba. He graduated from Indiana University and enjoyed a distinguished and rewarding career in Chemical Marketing.

Jim moved to Laguna Woods in 1998 and immediately began to make his presence felt.

He founded the TGIF Club, is a Past-President of Saddleback Kiwanis and was the recipient of the Kiwanis International Distinguished Award while a member of the Indianapolis group.

He has been the Service Officer for Laguna Woods American Legion Post 257, Board Member of the Community Civic Association, and on the United Nominating Committee for four years.

With all these activities within our Community Jim still had found the time to participate in the Kiwanis Take Pride Cleanup outside of our Community and work as a substitute teacher in Orange County, frequently with marginal and disruptive students and those with limited English speaking capabilities.

We are so proud to have Jim as our
Honoree of the Month.
