To --- Leisure World Historical Society.

From --- Harold Winn, 370-D Avenida Castilla.

Now in his 24th year as a Leisure Worlder.

I was extremely active during the early years, helping in organizing various clubs and organizations.

Among my activities were helping to bring about the Leisure World Community ^{MUSIC} Ass'n, serving as their V.P. for several years.

I helped Opera 100 in getting started, also the Leisure World Chorale, Towa Club, Organ Club and the Leisure World Orchestra, also the L,W. Little Theatre group.

I produced and directed a Sunday Sing talent program which ran for seven and one-half years. I have acted as Master of Ceremonies for more than 160 programs of various types, including 15 years as M.C. for the orchestra.

The Educational & Recreational Dep't. dubbed me "Mr. Leisure World," and the Historical Society named me as one of their "Leisure Worlders of the Month." *Sept 1983*

There are several more activities in which I had a part. These include my church choir work, 15 years as music man for the Saddleback Kiwanis Club, and four years as Public Relations Man for Great Western S. & L.

It's easy to see the Leisure World has kept me busy?
